### CarePartner Basic Unit

Working with your existing telephone, this unit offers all the benefits of a 24-hour medical alert service, along with two-way voice communication

### CarePartner Telephone

This senior-friendly unit is both a telephone and a two-way communicator with enhanced features, including:

- High volume speaker, handset and ringer control
- Ability to record medication and appointment reminders to help you stay on schedule

## How Philips Lifeline works

# 1

### Summon help

When you need help, just press your **Personal Help Button**, which activates the CarePartner Communicator.

# 2

### Professional Intervention

Your **CarePartner Communicator** then dials the LifeLine Response Center and establishes two-way voice communication.

# 3

### Personal response

Within seconds, a **LifeLine Response Associate** accesses your profile and quickly assesses the situation.

# 4

### Closed loop

The Associate then contacts a neighbor, loved one or emergency services, based on your specific needs. The LifeLine Response Associate will follow up to ensure that help arrived
